- All programs funded by MOVA will have services and staffing reduced on July 1, 2024 without a critical, lifeline investment from the state
- The need for services, both in-person and remote, has increased exponentially as a result of the COVID-19 pandemic. Victims need consistent support now more than ever
- MOVA-funded programs are serving more victims than ever before in our agency's history, as illustrated by our FY23 data collection
- From FY18 to FY23, the total number of individuals served by MOVA-funded programs in MA has increased by approximately 56%
