

Technology Use Agreement

Responsibility

Any tech device(s)/equipment provided by the CAC is intended to support each TEAM Youth Council participant's full participation in Council sessions and their ability to create content for the project.

I understand that, for any child who participates in a minimum of 10 TEAM Youth Council sessions, ownership of any tech device(s)/equipment provided by the CAC, whether by the youth or their parent/caregiver, will ultimately be determined by my parent/caregiver. The device(s)/equipment should be used only in accordance with the youth's parent/caregiver and family rules related to technology use.

Once the TEAM Youth Council participant and their parent/caregiver receive any tech device(s)/equipment provided by the CAC, they become solely responsible for the safekeeping of device(s)/equipment and its usage. The CAC is not responsible for the device(s)/equipment or how it is used.

Stay Safe

I will protect my personal information, including my name, date of birth, address, phone number, and photos and will not share personal information about myself or others online.

I will immediately tell my parent/caregiver or a trusted adult if I receive an electronic communication that makes me feel uncomfortable or unsafe, or if I accidentally access inappropriate materials, pictures, videos, or websites. If anyone makes me feel uncomfortable, unsafe, or acts inappropriately towards me online, I will stop communicating with them and tell my parent/caregiver or a trusted adult.

I will ask my parent/caregiver to help me with privacy settings as I set up the device(s)/equipment, accounts, or profiles. I will not share my passwords with anyone other than my family.

Respect

I will treat others with respect and will not bully, humiliate, harm, or harass anyone online — whether through sharing social media posts, messages, photos, videos, or screenshots, or setting up fake profiles.

I will use my device(s)/equipment to access, submit, post, publish or display only material that is legal and nonthreatening and that is free of inappropriate, illegal, dangerous, and derogatory content.
