

# Did you know?

**1 in 10 children**

*are sexually abused before age 18*

**90%**

*of victims know their abuser*

Abuse & trauma **negatively impact**

*health & well-being*

## but...

**9 out of 10**

**DON'T** report the abuse when it occurs

*nearly* **2 out of 3**  
**NEVER**  
report the abuse

## What can you do?

### Learn the Signs

Learning the signs and knowing how to respond helps you to advocate for children who need it most.

### Talk About It

Talking about the issue empowers children, families, and communities.

### Get Help

The Children's Advocacy Center of Suffolk County provides support and services for children and families.

### Get Involved

Strengthen our community's battle against child abuse. Learn more about how you can help.

# Stop the Silence.
